Selectmen's Meeting

FEBRUARY 14, 1984 - by Virginia Arral

RESIDENTS PROTEST CONTINUED DEFIANCE OF RULING

Six residents whose property abuts that of Gerald H. Roy of 56 Ocean Drive have submitted written protests to the Board of Selectmen on the continued defiance of Mr. Roy not to screen the "unsightly" materials on his land.

Those protesting include: David and Ellen Staelin, 54 Ocean Drive; Katherine E. McIntire, 28 Ocean Drive; Paul Duchaine, 44 Ocean Drive; Arnold Putnam, 50 Ocean Drive; John D. Reed, 49 Ocean Drive; and Frances and Betty Ann Cusick, 15 Pleasant View Avenue.

The conditions on Roy's property have been under criticism for over five years. On April 24, 1979 the Zoning Board of Appeals handed down an order to Roy to screen the machinery and materials on his premises. Roy is involved in the process of pouring lead for boat keels.

Selectmen Chairman John N. DeCosta read a letter from Mr. and Mrs. David Staelin which read, in part, "Sometime ago the Zoning Board of Appeals ordered Conrad Roy to screen his property at 56 Ocean Drive. In response, he erected a fence along a portion of our common border.

"Unfortunately there is still extensive unsightly business material plainly visible from the road and from our property at 54 Ocean Drive.

"We would appreciate clarification regarding the meaning and implementation of the Board's order. For example, does the

present fence satisfy the Board's order? If not, by when should any additional screening be installed?"

The Staelins' letter concluded, "We would appreciate any action you might undertake to help restore the residential character of the neighborhood."

Scott Armbruster, Building Inspector, met with the Selectmen and informed them that he and Donald J. Fleming, Town Counsel, visited the Roy property and took photographs of the conditions there. Armbruster said, "Roy has done a great deal but hasn't conformed to the screening order as yet." Armbruster explained that the matter now stands between Roy's attorney, John L. Collins, and our Town Counsel as to how the screening order will be carried out. He added that most of the used vehicles have been removed, but that some pieces of equipment remain and will have to go.

At the recommendation of Selectman Frank M. Suzan, a letter will be sent to each of the complainants acknowledging their concern and informing them that the matter is now in the hands of the building inspector, town counsel and Roy's attorney.

In other business Selectmen:

GRANTED PERMISSION to Barbara Gaspar, Girl Scout Leader, to use the second floor area of the fire station for a sleep-over for the Scouts on February 21st. The following morning the scouts will march from the Fire Station to Shipyard Park where they will conduct a sunrise service.

The question came from Fire Chief Donald Wood who initially approved the request from Mrs. Gaspar but sought Selectmen's permission.

APPROVED a second video game at Reservation Golf Club. Selectmen noted this is the final one the club is allowed. It was also noted that the game is for entertainment purposes only and is not a gambling game.

ANNOUNCED that two "No turn on red" signs on North Street and Route 6 will be removed.

R. A. Smith, state District Highway Engineer, informed the board that his department will remove the "No Turn on Red" signs facing EASTBOUND and WESTBOUND Route 6 traffic, thus allowing right turns on red, after stop, into North Street.

CABLEGRAM

SPECIAL NOTICE

February 22, 1984

Dear Subscriber:

On February 22nd Cablesystems will retrofit our satellite reception dish with new electronics, enabling us to receive The Nashville Network, which premieres March 1st on cable channel 23.

During the late morning hours and possibly early afternoon hours the following services will not be viewable: Cinemax, E.S.P.N., C.B.N., W.T.B.S.,The Weather Channel, HBO, Dow Jones Cable news, Nickelodeon, Lifetime, C-Span, USA Network, C.N.N. and WGN.

Service will resume as soon as the retrofit is completed. We apologize for any inconvenience; however we feel the benefits outweigh the slight inconvenience.

The Nashville Network will be available at no additional charge to our basic subscribers. Our December survey indicated a strong interest in this service.

As you may or may not know, the Sugar Ray Leonard - Kevin Howard fight scheduled for Saturday, February 25th is postponed. Please stay tuned to the program guide on cable channel 8 (Bay 8) for information concerning the rescheduling of this fight. Replacement programing for that time slot is Fast Times at Ridgemont High starring Sean Penn, Jennifer Jason Leigh, Phoebe Cates, and Ray Walston.

To our many boxing fans, don't be disappointed - coming in March on HBO: March 9th W.B.C. Heavyweight Championship Fight featuring Greg Page vs. Tim Weatherspoon, and on March 30th the WBA/WBC Middleweight Title featuring Marvelous Marvin Hagler vs. WBA #1 ranked contender Juan Domingo Rolden. Both fights are live and only on HBO.

On February 28th at 7:30 pm for the first time, on Bay 8, see your local government in action: Marion Selectmen's Meeting broadcast live from Marion Town Hall.

Also new channel cards are now available at our 149 Wareham Rd. office.

Sincerely,
Stephen Grossman

Most of the watercolors in this collection of Mrs. Bean's recent work have been painted in southeastern New England from Newport to Cape Cod. It will include local scenes as well as floral still lifes and some scenes of Rockport, Mass. where she attended workshops with Betty Lou Schlemm, AWS.

Christine, a former teacher in the Dartmouth schools, has devoted full time to painting and teaching adults since 1977. In the past few years she taught a series on watercolor for the in-service training sessions of the Art Teachers of New Bedford and currently teaches in her studio at 14 Hilltop Road, North Dartmouth. Her paintings have been in numerous juried shows and have won many awards. They are in private and corporate collections, including three paintings purchased last year by the Bank of Boston International for their New York City offices.

A reception will be held on Friday, February 24th, from 6 to 8 p.m. for members and guests attending the opening of the exhibit.

League of Women Voters

QUESTIONNAIRE ON CHILD CARE NEEDS

Concerned about possible child care needs in Marion, the local League of Women Voters is mailing a survey questionnaire to every Marion household. Data will be collected to discover what arrangement for child care now exist for townspeople who work, attend school, perform volunteer services, or for any other reason require day-time child care when they are away from home.

The League does not plan to establish a child care facility, but rather to find out whether local needs for such care are being adequately met.

All information collected will be confidential, and no names or addresses need be given by those responding. The League hopes that replies to the February 27th mailing will be returned to the organization's Marion Post Office box, or dropped off at specified collection centers in town by March 3rd.

Melody, the daughter of Mr. Ronald Lima and Mrs. Joyce Gagne, is a 1983 graduate of Old Rochester Regional High School and currently a dance major, Class of 1987, at the Philadelphia College of Performing Arts.

Melody has been dancing since she was four years old and while at O.R.R.H.S. was a four-year chorus member and participated in productions with the Actor's Stage Company of New Bedford under the direction of Mr. Gerald Morrisey.

In Philadelphia, she has done modeling for art students of the Philadelphia College of Arts for photographs and motion pictures. This summer she plans to audition for theme entertainment parks such as Busch Gardens, Kings Dominion, Disney World, and Great Adventure. Currently, Melody is taking voice lessons to work in a band with a goal of entering the musical theater or a touring company. Ultimately, she would like to do television, movies, and

The following are some of their messages:

"My name is Lori. I care for you and I hope you have better luck, and I hope your dreams come true and I hope you get a lot of money so you can build a house. We love you."

"Hi! My name is Rebecca. I hope you have enough water for the rest of your life and have enough food!"

"Hi! My name is Brad. I care for you. I love you. I hope you get rain soon."

"Hello there. My name is Todd and I hope you have enough money so you can buy food for your family so you can live. The end."

"Happy Valentine's Day. I hope you have better luck. I hope you have good growing weather too. I hope your dreams come true. Love, Jeremy."

"Hi! I just want to say hello. I care for you all. So have good luck in your future. I wish I could speak to you. Love, Vicki."

of the neighboring First Congregational Church on Center Street. Tickets, at $7. per person, may be obtained by calling the Unitarian Church office at 992-7081; tickets must be picked up no later than Friday, February 24th.

The First Congregational Church has been a Fairhaven landmark since it was built in 1844. The oldest church in town, the brick edifice, with its 100-foot spire, was visible to sailors miles from shore until the great gale of 1869, when the steeple came crashing down, puncturing the roof of the sanctuary. Now the roof and the church tower are threatened again, this time by age and the alarming cost of repairs. The 150-member congregation needs to raise $300,000 in order to preserve the building from further deterioration.

The formidable fund-raising task cannot be accomplished without the help of the wider community. The Unitarian Society hopes to be among many willing to lend support to the effort.

been able to make steady progress in the areas of customer service, technical maintenance, and product offerings."

Schultz pointed to price decreases in installation and reconnect fees, the elimination of trouble call charges to subscribers, the introduction of a new billing system, the hiring of a new maintenance technician, and the introduction of C-Span and the Dow Jones Business Channel as areas of improvement.

"Over 300 residents took advantage of our free installation offer in January," Schultz added.

"We have also made great improvements in local programming. You will see our new van around town beginning this week, and we are constructing a larger, more accessible local access studio as part of our office renovation project.

"We also have several new shows, like Jack Healy's 'Wareham Speaks Out' and Tom Reilly's 'In Focus' which have received very favorable reviews."

Schultz noted that the investment in local programming will be $40,000.00 in the first year of American's operations.

Wareham Selectman John Kelenosy praised American's efforts in the area of local programming, especially its work with Tobey Hospital. Marion Selectman Ted Pratt thanked American for "the progressive approach you have taken toward the community, especially in getting Marion Housing for the Elderly cabled".

Also in his remarks, Schultz noted changes that will take place over the next six months.

"We will finish the office renovation and complete the 20.8 miles of construction in Mattapoisett. We will also cable Swifts Beach and Agawam Lake Shores in Wareham and Planting Island in Marion. This will bring to 1700 the additional homes American has passed since July 1983.

"Also, on March 1, we will introduce the Nashville Network to basic subscribers at no additional charge.

"Perhaps most importantly," Schultz ended, "we will continue to improve our customer services, continue to rely on public input in our decision-making, and continue to work with the communities to provide a first-class cable operation."

TOBEY MEDICS VS POLICE DEPARTMENT

Once again, the Tobey Medics Basketball team, managed by Tom Spiro, will be seeking revenge this year against the Wareham Police Department who beat the medics soundly last year.

The grudge battle will be staged at the Wareham High School Basketball Court on March 8th at 7:30 p.m.

Last year no rivalry existed; however, this year a tense rivalry is emerging amidst the charges and countercharges by both sides of management.

As usual, an evening's entertainment will be provided for all who attend, complete with cheerleaders, door prizes, and a family atmosphere, each cheering its own team on to victory.

"Tickets will be available at the door and from team players", stated Tom Spiro.

Holiday Rubbish Pickup

MATTAPOISETT

Because of the holiday this past Monday, the rubbish collection in Mattapoisett for this week will be one day later than usual.

Thursday's collection will be done this week on Friday, February 24th, and Friday's collection will be done on Saturday, February 25th.

"FINANCIAL TECHNIQUES OF HISTORIC PRESERVATION"

On Thursday evening, February 23rd, in Alumni Hall at the newly restored Bell School in the Head of Westport, the Westport Historical Society will welcome Mr. Tony Souza, consultant and financial expert on historic preservation. His topic will be "Financial Techniques of Historic Preservation".

Mr. Souza's discussion will touch on several issues including the tax advantages and funds availability for historic preservation efforts. His presentation will include a slide series of on-going historic preservation efforts in New Bedford.

Mr. Souza's expertise has won him several awards including the National Trust for Historic Preservation Honor Award (May 1983), and the Massachusetts Historical Commission Award for Historic Preservation. He was the Director of the Office of Neighborhood and Historic Preservation for the City of New Bedford.

Mr. Souza is a principal in a consulting firm specializing in historic preservation. He is the Senior Mortgage Officer for the New Bedford Institution for Savings.

The presentation and discussion will take place at 8 p.m. in the Bell School on Drift Road, Head of Westport. The public is cordially invited to attend. There will be an admission charge of one dollar for those who are not members of the Westport Historical Society. Refreshments will be served.

THERE'S MORE TO HEATING YOUR HOME THAN PUTTING OIL IN YOUR TANK ...

Filling your tank with oil is only the first step in keeping your family warm and comfortable during the winter months.

Maintaining your heating system in top operating condition is important to insure maximum fuel efficiency and extend the life of your oil burner and fuel pump.

Energy conservation programs are also important. Previous years have taught us that oil is a precious resource and should not be wasted. Conservation programs allow you to heat your home with less oil and for less money.

If your heating system breaks down during a cold spell in February, it's comforting to know a trained technician will service and deliver any time of the day or night, during any weather conditions.

A Better Home Heat Council Qualified Fuel Oil Dealer is the person who can deliver all the ingredients that go into keeping your family warm and comfortable.

Your qualified dealer is professionally trained to keep your heating system in good working condition. This minimizes the chance of a malfunction. But if your system should break down, your qualified dealer is on 24 hour call.

Be sure to look for the Qualified seal to assure you're being serviced by a Better Home Heat Council Qualified Dealer.

Cancer Society.

Mrs. Cavanaugh is a trustee of the Rochester Public Library and Financial Secretary of the Rochester Woman's Club. She is also employed part time at Endeco Medical, Inc. of Marion. With her husband, Don, and three sons, Matthew, Douglas and Brian, she lives at 168 Walnut Plain Road, Rochester.

"Here in Rochester we expect to raise $1,300," Mrs. Cavanaugh said. This money will be used to support programs in the Rochester area for the prevention, early detection, and treatment of cancer, and to provide assistance to cancer patients.

"Another important goal is to help save lives. An army of volunteers will bring information on cancer risk and detection to all the residents of Rochester during the door-to-door drive," she said.

"Close to three million people alive today have been cured of cancer," she said. "The battle isn't over but we are winning. This year, about 450,000 people will die of the disease, and of this number, 148,000 might have been saved by earlier diagnosis and prompt treatment.

"That's why it is crucial for everyone in Rochester to learn how they can lower their cancer risk. The pamphlet volunteers will be distributing is a self-test on cancer risks for the two most common and deadly forms of cancer - lung cancer and colorectal cancer. We urge everyone to take this test and then practice the cancer safe-guards described in the folder," Mrs. Cavanaugh said.

The 1984 Cancer Crusade in Rochester is part of a statewide effort involving more than 110,000 volunteers. Individuals interested in volunteering for the Cancer Crusade can contact their local American Cancer Society at 996-6262.

BAYANIHAN PRESENTS EXOTIC SPLENDOR

The BAYANIHAN PHILIPPINE DANCE COMPANY, one of the most exotic, exciting and successful dance companies from another land ever to visit America, will play at the Zeiterion Theatre for one very special performance Saturday, March 3rd, at 8:00 p.m. This unique theatre/dance experience has captured the imagination of cities and audiences alike in displaying the charm and vital beauty of the varied Philippine cultural heritage.

The eye-ravishing Bayanihan Philippine Dance Company of 28 dancers and 12 musicians is top rated among several folkloric dance ensembles and has had extended engagements and rave reviews everywhere it has performed. Painstaking research has gone into every detail of costuming and the stunning decors. The result is that not only is the Bayanihan production a vividly accurate representation of Philippine culture, but breathtakingly beautiful as well. Here one may find the exotic splendor of tropical islands, the color and verve of the Spanish Conquistadores, the Oriental sophistication of the Sloe-eyed Judo-Arabian fantasies and sun-drenched splendor of a fertile land.

Unusual new sounds emanating from the native orchestra, swirling color against exotic backgrounds, lithe and versatile dancing in a wide variety of styles - all these combine to make an evening with the Bayanihan Philippine Dance Company in the words of the Chicago Tribune critic: "An enchanting show staged by one of the freshest and most original dance troupes in sea-

The Lloyd Center

AN ESTUARY ... ON WHEELS?

An estuary ... on wheels? For residents in several local nursing homes and rest homes, the traveling Estuary on Wheels program, sponsored by the Lloyd Center for Environmental Studies, is an opportunity to rediscover and enjoy the wonders of this unique coastal environment. An estuary is an arm of the sea, unique because the salty ocean water mixes with fresh water from an inland source such as a river. Animals and plants of an estuary must be able to tolerate fluctuations in salinity and temperature as well as changes in the water level due to tidal action. The estuary is a very productive ecosystem supporting an interesting variety of animal and plant life.

In the Estuary on Wheels program, a Lloyd Center staff person visits the nursing home and presents a thirty minute slide presentation on the estuarine environment to the participants. The highlight of the program is the set-up of a salt water aquarium stocked with native species of estuarine organisms such as Mummichogs, Sticklebacks, Blue Mussels, Quahogs, Oysters, Hermit Crabs, Spider Crabs and several species of seaweeds. The tank remains on loan to the facility for a period of several weeks to several months during which time the Lloyd Center staff person returns regularly to maintain the tank.

The aquarium is a form of "pet therapy" since it provides residents of senior citizen facilities with the opportunity to learn about, become interested in, and in many cases, be responsible for other living creatures. The goal of the Estuary on Wheels program is to provide quality low-cost educational programs to senior citizens and citizens with disabilities in the greater New Bedford area.

The Lloyd Center for Environmental Studies is a not-for-profit education and research facility located near the mouth of the Slocum River at 430 Potomska Road in South Dartmouth. Situated on 55 acres of woods, salt marsh and wooded swamp, the Center provides the general public with excellent opportunities for walking, bird-watching and photography. The walking trails are open to the public daily from dawn to dusk, the building is open Tuesday through Sunday, 9:00 a.m. to 5:00 p.m. Each Sunday the Center hosts free public walks on the Lloyd Center property or other properties of the Dartmouth Natural Resources Trust. For more information and to register for a walk, please call 990-0505.

[illegible] TO BE DISPLAYED

Art works produced by elementary students at Dartmouth's Friends Academy will be on display at the Dartmouth Children's Museum from March 1 through April 1. The twenty pieces represent the results of current art projects at Friends by first through sixth graders. The show is multi-media in nature and includes prints by first graders, weavings by second graders, portraits by third graders, still life paintings by fourth graders, drawings, printings and life masks by fifth graders, and handmade books with batiked covers and realistic and expressionistic self-portraits by students of the sixth grade. Art works will be mounted on panels and displayed on the Children's Museum's first floor.

Museum hours are Tuesday through Saturday, 10 a.m. to 5 p.m., and 1 to 5 p.m. on Sundays. The Museum, which is located at 276 Gulf Road in South Dartmouth, is closed on Mondays. For further information contact the Museum at 993-3361.

PUPPET THEATER

A new permanent exhibit has opened at the Dartmouth Children's Museum, 276 Gulf Road in South Dartmouth. The Puppet Theater, located on the Museum's second floor, is open to children and adults during the Museum's public hours. The bright yellow theater enables children and adults to present their own shows with the hand puppets provided. Major goals of the exhibit area are to foster self-expression and creativity in a non-threatening atmosphere. The puppet theater also gives parents the opportunity to interact with their children. The puppet theater will also serve as a place where shows can be produced by Museum staff or outside puppeteers. This most recent addition to the Children's Museum's exhibits promises to be a very popular one.

Major funding for the exhibit was received from the Dartmouth Arts Council. The Museum is grateful to the Council for its support of the project.

COURSES, WORKSHOPS OFFERED

For those whose interests run more toward biology, "CUT-UPS: FROGS" gives youngsters a chance to be a jump ahead of spring by discovering the fascinating biology of frogs through dissection. The program is scheduled for 1 to 2:15 p.m. "KITCHEN CHEMISTRY" gives budding chemists an opportunity at consumer testing. By performing seven different tests, children will evaluate three commercial shampoos at 2:30 to 4 p.m. The programs do require pre-registration.

An art workshop for adults, "WATERCOLOR MONOPRINTS", will be conducted at the Children's Museum Sunday, March 4th, from 1 to 4 p.m. The process involves applying watercolors to a prepared plexiglass plate and transfer to a damp sheet of paper using a hand rubbing technique. Pre-registration is required.

For details and registration materials, please call the Dartmouth Children's Museum at 993-3361. The Museum is located at 276 Gulf Road in South Dartmouth.

Chamber Concert

CAPE COD CHAMBER ENSEMBLE AT SMU

The Cape Cod Chamber Ensemble will give a free concert at Southeastern Massachusetts University on February 23rd at 12:30 p.m. in the Recital Hall of the College of Visual and Performing Arts (Group VI) Building.

The program will include the works of Roseman, Hindemith, Danzi, Ravel, and Schuller.

The ensemble features musicians from leading conservatories in the nation. They include Linda Works, flute; Elizabeth Doriss, oboe; Glenn Williams, clarinet; Cynthia Brown, horn; and David Gallagher, bassoon.

The concert is a presentation of the SMU Music Guild.

Stroke Club

The monthly meeting of the Greater New Bedford Easter Seal Stroke Club will be held on Monday, February 27th, at 7:00 p.m. The meeting place is at the Brandon Woods Nursing Home, 567 Dartmouth Street in South Dartmouth.

Peter Ricard, Director of the Massachusetts Rehabilitation Commission in New Bedford, will speak on the "Opportunities and Benefits of the MRC".

New members, their families and friends are warmly encouraged to attend.

For more information on this stroke club and other services and programs offered by the Easter Seal Society, contact the regional office in New Bedford at 997-1553.

Social Dance Classes

One night a week, with some of your friends, learn to dance. Aren't you tired of wondering what to do on the dance floor? Wouldn't you rather have some fun moving in time to the music rather than leaning up against a wall just watching? Call 758-2072, Mrs. Kelley, or 758-6950, Mrs. York, and sign up now. Classes will be limited. They are sponsored by the Mattapoisett P.T.C., they begin on March 1st at 6:30 for fifth and sixth graders, and 7:30 for seventh and eighth graders. A nominal fee will be charged and Mr. and Mrs. Barrett, licensed dance instructors, will be the teachers.

Evening with Maya Angelou

BCC PRESIDENT'S CLUB LECTURE

Maya Angelou, writer, poet, actress, will present the 1984 Bristol Community College President's Club Lecture at 8 p.m. Monday, March 5th, in the BCC Arts Center. The lecture, called "An Evening with Maya Angelou", is free and the public is invited to attend.

Ms. Angelou, author of "I Know Why the Caged Bird Sings" and winner of an Emmy Award for her performance as Nyo Boto in the television adaptation of "Roots", has been called the most visible black writer in history.

Born in St. Louis, she spent her formative years in Stamps, Arkansas, and San Francisco. She studied dance and drama in San Francisco, and in the 1950's she performed in nightclubs in San Francisco and New York. During that era she appeared in "Porgy and Bess" as part of a twenty-two country tour of Europe and Africa.

A multi-talented woman, Ms. Angelou was editor of an English-language weekly in Cairo, taught music and drama in Ghana and studied cinematography in Sweden. In 1970, when she was a writer-in-residence at the University of Kansas and lecturer at Yale University, she published her first autobiography, "I Know Why the Caged Bird Sings". The book records her growth from an awkward, insecure young girl to a teenage mother. It has been cited as a significant work in

A Holy Hour will be held at the Sacred Hearts Church, 382 Main Street, Fairhaven, on February 28th, from 7 to 8 p.m., sponsored by the Adorers of the Blessed Sacrament. The guest priest will be Fr. Matthew Sullivan SS.CC., former pastor of St. Mary's Church, Fairhaven. He is now Chaplain of Sacred Heart Home. The Holy Hour will consist of Exposition of the Blessed Sacrament, Prayers, Homily, Meditation, and will conclude with Benediction. Refreshments will follow in the church hall. The public is invited to attend.

Spanish Dance Theatre

The Ramon de los Reyes Spanish Dance Theater Company with new and original costumes from Spain will perform at Southeastern Massachusetts University on March 4th at 4 p.m. in the main SMU auditorium.

In a review of a performance by the company, which presents traditional dances from Spain and Mexico, the Nantucket Inquirer and Mirror referred to "dancers seeming to smolder in their own emotion". The Boston Globe wrote: "....the sense of tension and release were as keen as in a bullfight and provoked enthusiastic cheers from the crowd....". And the Bangor Daily News reviewed the company's appearance as "a program never wanting for eclat and brilliance" and "a performance both subtly erotic and exotic".

Ramon de los Reyes, founder and artistic director of the company, was born in Madrid among the Gypsies and the world of Flamenco. He has performed with the world's greatest Spanish dance companies as soloist.

Parkwood Hospital

PARKWOOD HOSPITAL AND LOCAL PHYSICIAN FEATURED IN NATIONAL PUBLICATION

Parkwood Hospital's efforts to bring first-rate new physicians to this area and Scott J. Henderson, M.D.'s experiences as one of them were highlighted recently in an article in Medical Economics, a nationally prominent medical journal.

The article featured Dr. Henderson, an internist on the Parkwood staff since April 1983, and his recent move into the newly completed Parkwood Medical Building adjacent to the hospital on Acushnet Avenue in New Bedford. He is just one of over a half dozen primary care physicians Parkwood has recruited in the past three and one half years to try to meet the greater New Bedford area's under-served medical needs.

"As part of our commitment to our community, we recognized the shortage of adequate primary care and Portuguese-speaking physicians and then decided to actively seek out and recruit bright, young, dedicated doctors like Dr. Henderson to bring more comprehensive medical care back to the area," said Robert F. Davis, Parkwood's executive director. This action has required a substantial investment on the hospital's part in providing various types of support and office facilities for these physicians -- including building the nearly half-million dollar Parkwood Medical Building which provides office space for five physicians.

Since 1980, Parkwood has helped bring two Portuguese-speaking specialists (a

general surgeon and an internist specializing in infectious diseases) and six other physicians to the area. Another internist specializing in pulmonary medicine is expected this Spring.

The December 26, 1983 issue of Medical Economics, the national journal for physicians in private practice, featured Dr. Henderson's experiences as he was recruited by Parkwood Hospital to the area and began his private practice, which is still growing. A graduate of the University of Maryland School of Medicine in Baltimore, Dr. Henderson lives in Rochester with his wife, Lenore, and their daughter, Carly.

Assertiveness Course

"Assertiveness Training" will be the topic of a one-day seminar to be held on February 25th from 9:30 a.m. to 4:30 p.m. in the Library Conference Room at Southeastern Massachusetts University.

The seminar is designed for individuals who want to examine their own behavior and begin to handle interpersonal situations more effectively.

urdays from 1:00 to 3:00 p.m. will be assigned to a role in this favorite Children's Theatre Play. Director Marnie DeMarsh states: "The play is loved by young children as they can easily identify with their favorite Mother Goose Character". Executive Director Anne Joelle states, "The children will enjoy learning communication skills at the Theatre this Spring through working on material that is humorous and fun to enact."

Children who wish to register for this five-week workshop may call the Theatre at 224-4888.

Hypnosis Workshop

"Hypnosis and Self-Hypnosis" will be the subject of a one-day seminar offered by the Southeastern Massachusetts University Division of Continuing Studies on March 3rd. The workshop will meet in the third floor conference room of the SMU Library from 9:30 a.m. to 4:30 p.m.

The course is intended to dispel the many myths about hypnosis and to demonstrate that self-hypnosis is an easy-to-learn natural state that puts a person in control. Practical behavior changes in weight control, athletic abilities, and stress reduction will be covered by workshop leader Roger Gaspar. For information call Kevin Garganta, 999-8778.
